

SOPRAFIX METAL BATTEN BAR

Soprafix Metal Batten Bar (MBB) - 6-Inch o.c. Punch holes - 50 pcs / Tube

Order No. F1061

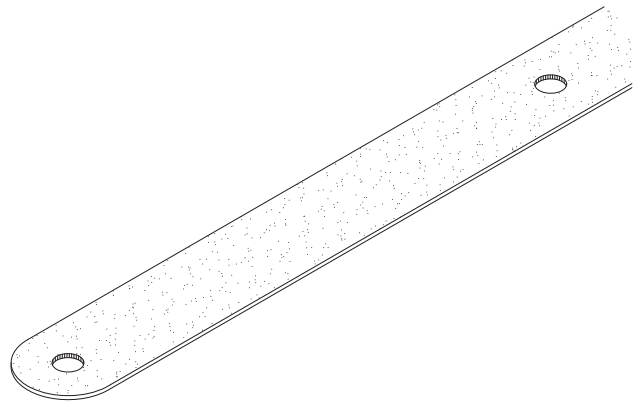

Soprafix Metal Batten Bar (MBB) - 12-Inch o.c. Punch holes - 50 pcs / Tube

Order No. F1062

DESCRIPTION

Soprafix Metal Batten Bars (MBB) are engineered to provide exceptional performance when used with Soprema Soprafix or UNILAY Mechanically Fastened SBS Roof Assemblies. Soprafix Metal Batten Bar (MBB) is a flat, nominal one-inch (1") wide 18-gauge galvalume metal bar with six-inch (6") o.c. pre-punched 9/32-inch round holes. MBB is available in ten-feet, one-inch (10'-1") feet lengths.

Refer to current SOPRAFIX and UNILAY Product Data Sheets for individual membrane Installation Instructions. **It is the installer's responsibility to know the Soprafix System being installed, which Soprafix fastening components are required, where and how often these parts are placed within the System.**

Soprafix MBB offers these advantages:

- Economical, labor saving installation process
- Increased membrane rupture performance and resistance (pull-over)
- Soprema supplied fastening components included in Soprema Warranty Agreement offerings
- When used with SOPRAFIX, provides the highest SBS Mechanically Fastened simulated wind uplift rated Roof Assemblies in North America
- See current ICC/ES, Florida State Wide Product Approval, Miami-Dade County Product Approval and FM Approvals, for Approved Roof Assembly combinations

COMPOSITION & PACKAGING

Soprema supplied Soprafix MBB batten bars are manufactured from AZ55 compliant 18-gauge galvalume steel that is manufactured to not have sharp edges. Soprafix MBB meet building code and FM Approvals corrosion and simulated wind uplift criteria requirements.

APPROVALS

See Underwriters Laboratories Inc. File #R11436, FM Approvals, ICC/ES, Miami-Dade County or Florida Building Code Product Approval Listings for current Approved Roof Assembly combinations. Soprema is ISO 9001:2000.

WARRANTY

Soprema supplies Soprafix MBB to authorized Soprema roofing applicators and are included in Soprema Project Warranty Agreement offerings.
